# About Us

Angel 7 is a dessert cafe whose goal is to provide both sweets and happiness for its customers. Currently only located in San Francisco, California, but hope to expand to multiple chains throughout the Bay Area. Angel 7 welcomes anyone who

loves dessert, wants to take aesthetic photos to share on social media, or even for those who just want to chill and hangout in a cozy environment. Our clients tend to be teenagers to young adults, but occasionally we have the elderly stop by with their families to buy some desserts. We see many groups of teenagers hanging out in our cafe and purchasing many different kinds of desserts to post on social media platforms. San Francisco is also a great place for tourists, and you can't go wrong with stopping by at a dessert cafe!

Our specialty are cakes, but we also provide many different desserts. We want to provide a variety of dessert options,

including food and drinks, for our customers. Some of our products are cakes, macaron, shaved ice, crepe, parfait, fruit tea, milk tea, coffee and more!
